### ONLINE SHOP

We recently wrote to advise you that the Online Shop facility has been separated from Bunbury Catholic College. The shop provides you with the opportunity to purchase uniforms, lunch orders, IT accessories, pay certain school fees, as well as add to your child's CDF balance.

The migration away has now been completed, with the last step of this process being a change of the back accounts associated to Our Lady of Mercy College.

For extra security, all credit card information is stored at National Australia Bank (NAB), not on our local servers. However, because we have moved accounts, all previously saved credit card information has been reset.

Unfortunately, this additional security measure will require you to re-enter your credit card details. We apologise for the inconvenience. To resave your card information, simply click 'Remember my card' before processing a payment. You will then be prompted to enter your card information which will be saved for future transactions.

It is also possible to view or remove saved card information by using the 'Manage Your Stored Cards' menu within CDF Pay.

Should you require any further assistance, please do not hesitate to contact our IT Helpdesk on [ithelpdesk@olmca.wa.edu.au](mailto:ithelpdesk@olmca.wa.edu.au). You can find the Online Shop on our website or click the link here: [SHOP](#)

### UNIFORMS

Please note that opening hours of our Uniform shop may still vary slightly each week, due to adaptability to demand. You can find current opening hours as well as more uniform information on our website: [Uniform Shop](#)

### STUDENT PHOTOS & ID CARDS

School photos were sent home with the students on Monday. New Student ID cards have also been sent home. Please check with your child. Please ensure that your child understands the importance of keeping their card safe, especially as you can add money to this card.
